Such a stunning 5 bd, 4 1/2 bath home with a stone front in Bettendorf just hit the market. You are greeted by an inviting living room. Notice the grand staircase plus a catwalk to the upper level primary bedroom, 2 guest bedrooms and 2 full baths. Continue from the living room to the family room and access to the main level primary bedroom with its own full bath & walk-in closet. From that bedroom, you have access to the 30 x 13 sunroom. You'll discover a 2-sided fireplace to enjoy in the bedroom or the family room. The kitchen has solid surface countertops, center island and access to the half bath and laundry area. Enter through French doors to the sunroom that over looks the backyard and Sunrise Golf Course Women's 9th Tee Box. You're sure to love enjoying both raised decks on either side of the sunroom.
